Dozens of Colorado's hottest firefighters will compete for one of the prestigious spots in the 2006 Fired Up For Kids Colorado Firefighter Calendar. Celebrity judges from local television, radio and print will serve as Celebrity Judges as these sexy heroes showcase all the reasons they should be chosen to grace the pages of the calendar. DJ Chonz will be spinning hip-hop tunes while these professionals parade in two runway-style events - one that will include traditional dress blues uniform and the other in bunkers along with questions and answers from the notorious panel of judges.

Make a night of it and *Take the Elevator Home*. Ask for the Firefighter Judging rate and stay for only \$55. VIP tickets are also available to include a front row seat, two beverages, a 2005 Colorado Firefighter Calendar and photo with this year's contestants. Tickets are \$50 and available while supplies last by calling Barbara Brooks at 720.318.4199.
